

Circle of Fifths Tenor Clef

Instructions

- Fill in the flat major and minor scale names. Use the key signatures to help you.

The diagram is a circle divided into 12 segments, each representing a major key. The outer ring contains the major key names: C, G, D, A, E, B, F#. The inner ring contains the corresponding minor key names: Am, Em, Bm, F#m, C#m, G#m, D#m. Each segment also contains a tenor clef staff with a key signature (flats or sharps) and a partial scale of notes. The segments are arranged in a circle, with C at the top and F# at the bottom.
