

Circle of Fifths Treble Clef

Instructions

- Fill in the minor scale names.

The diagram is a circular 'Circle of Fifths' for the Treble Clef. It consists of two concentric circles divided into 12 equal segments by radial lines. The outer ring contains 12 treble clef staves, each with a key signature: C major, G major, D major, A major, E major, B major, F# major, C# major, G# major, D# major, A# major, and E# major. The inner ring contains 12 empty treble clef staves for writing minor scale names. The segments are arranged in a circle, with the key signature of the adjacent major key in the outer ring and the corresponding minor key in the inner ring.
